Ideas inspired by our friends at Opportunity Village.

Who doesn't want a magical destination at the holidays that brings us all back to Christmas' of past, holiday traditions, and a place to imagine San Diego transported back to holidays of long ago?

Noah Homes has decided it is time for such a magical place and has created the **Enchanted Village™ at Noah Homes**. The staff and residents wanted to share their hidden East County gem with their neighbors and friends and create a Christmas destination that would not only enchant the families of San Diego, but create an opportunity to employ the residents and let them do what they do best; welcome you to their **Enchanted Village™**. Enjoy a tour of beautifully lit trees, colorful cottages, decorations galore, a visit with Santa and his elves, some hot chocolate and warm cookies. Getting hungry and sentimental? Excellent, we are ready for you!

Through planning and partnership, we saw an opportunity to create a new holiday tradition to bring the Christmas spirit to San Diego. We have served adults with intellectual and developmental disabilities since 1983 and now have 90 residents, 100+ staff and 10 homes. We are excited to welcome you to our **Enchanted Village™**.

This concept started in Las Vegas 25 years ago at Opportunity Village™.

The event now attracts 50,000 visitors annually. Noah Homes will continue the tradition on its own eight-acre community and light beautifully mature trees, decorate up a storm, and entice one and all to come and be enchanted with the wonder of the winter holidays; San Diego style.

BE THE FIRST TO SUPPORT A MICRO ENTERPRISE AT NOAH HOMES

Benefits of Your **Enchanted Village™** Sponsorship

- Helps us create jobs! More than 67% of adults with disabilities are unemployed, and we intend to turn that trend around with your help of course! Your sponsorship will help create jobs for our Noah residents at the **Enchanted Village™**. Even more will volunteer to meet, greet, and make the night magical!
- Start a new tradition! Be the first to help support a new and exciting Christmas tradition in San Diego — imagine charming Christmas cottages, beautifully lit and decorated trees that are sponsored by businesses who become founding partners.
- Grow awareness of your company and make many new friends (and thousands more on social media) with your sponsorship signage on your lit Christmas tree or cottage.
- Allow your employees to volunteer! We will need an incredible volunteer army to assist with the magic of the **Enchanted Village™** on a nightly basis; who wouldn't want service hours in the **Enchanted Village™**?

The initial concept will start on a smaller scale, and give us a chance to make all of the magic come together. We have a talented team that includes individuals who were the creators of the original Magical Forest in Las Vegas; but they started with dirt and tumbleweeds in the Las Vegas desert. We are so far ahead of them with the lush grounds of Noah Homes, and we haven't even begun!

So, Join Us at **Enchanted Nights™**...

On Thursday, November 15, we will kickoff with a private dining experience offering a sneak peek as Noah Homes illuminates the night skies for the first time. A lucky participant will have the honor of flipping the switch as the crowd celebrates what is sure to be the family event of the season.
